Oct. 7-97

Dr. Green,

Here are the histories I said I would send - You will notice both copies were re-written by a granddaughter. The material is much the same, but some new material is added.

Also I have enclosed a pedigree & family group sheet so you can see where they all fit in -

If there is any other information you need, call me -

Best wishes in such an undertaking - We appreciate you!

Sincerely -
Geneva Anderson
